Was out looking over some promising areas with the Minelab detector and got to this out cropping above a mined area. The mixture of decomposed granite and limestone along with the redish looking colored dirt for some reason beckoned me to rake down some of the dirt for farther checking. After about 15 minutes of raking, the dirt was spread on a downhill slope and made it easy for detecting. It didn't take long to get my first signal with the Minelab which proved to be a nice little picker. I found 4 others and then nothing. The next day I went back down with the Gold bug 2 and worked the area picking up several more little pickers. After knocking down more dirt I got the loud signal which produced the big nugget in the middle. I kept at it re-raking the area taking a total of 73 pieces which weighed 11.7 grams. I have been back to the area 3 times now and nothing more has been found. The main part of this was just being out enjoying the days and getting some much needed exercise. The gold was just the icing on the cake.

October 2012 Outing, Libby Creek

Meeting called to order by Dale Evans.

Cy has a nugget (for the May Gold Show) for \$200.00. Braxton is looking into this.

The letter received from Harm was read and discussed with the members present. The letter will be printed in the next newsletter.

The Teakettle Hall is tentatively booked for 2013. North Valley Hospital has taken control of the building again. The treasurer was called and spoke to the representative for the Hospital and reported the dates needed. Reclamation work will be done on Sunday along with walking of the water supply line.

On Sunday October 14th, the gate to the claim will be closed and locked for the winter. Members can still go up onto the claim but the use of 4 wheelers is prohibited.

If any member comes to the claims and notices somebody or something suspicious, please call one of the committee members.

Please send your ballots for the By-Law changes. Or you can bring them to the next meeting in November.

Tickets for the dry washer are still available. You can send money in and tickets will be sent to you, or you can purchase tickets at the next meeting. It is planned to draw for the dry washer at the spring kickoff. Support the club and buy some tickets.

Meeting adjourned.

This is a bill for \$2500 hundred dollars that you owe me for the taking of me and my wife's property , the lifetime membership that it took us over twelve years to earn and was a nonrevokable family membership. It was paid to us for all of our work and for the property that we loaned the club to get it started when money was short . pumps ,hibankers hoses many times we paid for breakfast supplies because club did not have enough money .so I truly believe that 2500 hundred dollars is a rock bottom price.

harm toren family
payment within thirty days will stop collection proceedings .

ps

as for the reason you took the membership was because I said something you did not like. That is a taking of my first amendment right to free speech this is the second time you did this to me first one was verbal and I had no proof . This time it was in writing. I will seek compensation for this in a different suit

Harm Toren

The board has asked that this letter from Harm be put in the news letter. If there are any comments please call one of the board members.

October 2012

To all my friends and family I would like to say Thank You for all that you have done for me this last year and few months. Your support has means a lot to me.

Dale Evens

The last outing of the year!! There were 28 plus people there. It has been a great season! We have had a record year.

There have been many new friendships made. I have been overwhelmed be all the new face. It has been great to get to know all of you. I hope that you will all be back.

This outing is I feel the hardest. It is good for all the hard wok to be done, but I miss all of you so much!! I hope to see as many of you that can make it to the meetings up in Columbia Falls.

Sandy put a very fantastic article in the last news letter. I've been thinking about it a lot. I'd like to take a moment to thank some of the people I see working in the shadows to make all our fun possible. If I have missed you I'm very sorry and please let me know when you see me. Brock and Lisa, Gary Wilims, Jon VaDort, Charlie and Cindi Nanna, Ron and Patti Curtis, Dale Evens, Sandy Randle, Ron Mopen, Bill Moeller, Charlie Kins, Gary McHenry, Gary and Susie Henry, Braxotn Walborn, Don Roe Sr. and Don Roe Jr., Elmer and Bev Kraft, Jim and Terry Knots, Bert and Sharon, these are the people that help make the outings what they are, trommels that run , pumps that stay full, dirt that gets moved, concentrates cleaned, equipment that is moved on and off the hill and don't forget the people that make the wonderful food that it is served for the potlucks.

It has been a wonderful year! Thank you to all that have made it possible!
